TOWER FITNESS CENTER

Our new fitness facility is now open 5:00 a.m.—9:00 p.m. located in the 1st floor East Hallway. The facility includes three changing rooms with showers, free weights and cardio equipment, as well as TVs and Wifi connectivity. You will need to sign a fitness waiver to have access to the fitness center. This document is located in the Tenant Portal on the Tower website.

TOWER PROJECTS 2021

Tower Façade Work - The Tower Façade work will continue throughout 2021. The schedule is posted in the lobby.

Elevator Modernization - An upgrade to modernize our elevators will begin this year and end at the completion of 2022. We will be replacing most of the mechanical components as well as upgrading to a new software dispatch system. This new smart system will require minimal touch with the eventual goal of implementing a completely touchless elevator system using your building access cards. We will also be creating a second parking garage passenger elevator access to serve the lobby.

This project will be done in phases.

PARKING GARAGE AUTOMATION

The City of Roanoke is planning to fully automate the parking garage access system this summer. Additional instructions will be provided by Park Roanoke.

ICE CREAM SOCIAL

Please join us Thursday, July 22nd 1:00 – 2:00 pm on the 17th Floor for an Ice Cream Treat of your choice.

TOWER WEBSITE

We have recently launched the Wells Fargo Tower Website roanoketower.com providing building information as well as new “Tenant Portal Tab” allowing tenants to quickly make a service request, access the visitor registration system or find additional tenant services.

To access the portal use password “WFTPORTAL”.

Also view our Tower Light Page to view the Lighting Schedule.

PARKING GARAGE NOTICE

Level 2 Parking is prohibited for “monthly” parkers. Violators may be fined by Park Roanoke.
